SENATOR MARVEL: They've been discussed.

PRESIDENT: All right, Senator Stahmer.

SENATOR STAHMER: Mr. President and members of the Body. I did ask for the delay to look at these and I think the staff has done a fine job in outlining the agreement that we reached in Budget Committee so I would at this time, not to hold up the show, move to adopt these.

PRESIDENT: Are you ready for the question? All those in favor of the amendments as explained by Senator Marvel vote aye. Those opposed vote no. Requires 25 votes. These are the amendments explained by Senator Marvel. Senator Marvel?

SENATOR MARVEL: I was waiting for the next.....

PRESIDENT: Clerk will record.

CLERK: 26 ayes, no nays, Mr. President.

PRESIDENT: Amendments are adopted. Senator Marvel?

SENATOR MARVEL: Now, Vince, the yellow sheet, what is.. what is the page?

CLERK: Page 1391 of the Legislative Journal. You had earlier indicated that you wanted to take up the amendment on page 1392 first, is that correct?

SENATOR MARVEL: Let's take up 1391 first.

CLERK: Okay, these are amendments to page 79, line 8 of the bill.

SENATOR MARVEL: Okay, the first series of amendments on page 1091 have to do...since the University has accepted a facility in Western Nebraska, these are the amounts that have been agreed to to fund the operation of that facility which includes the movement of some of its activities from the Scottsbluff Experimental Station to Hiram Scott. The other amendment actually amendments 4 and 5 on page 1392 simply indicate or authorize the Board of Regents and we have the same amendment for the Voc-Tech School or the Community College complex, that where there are vacant student slots, that they're authorized to implement thesetheir administration so that they can be filled. And it shows hereby adjusting tuition rates, granting scholarships, etc. There is not additional money involved in either 4 or 5. So I move the adoption of those amendments.

PRESIDENT: All right, is there any further discussion on the adoption of the amendments as explained by Senator Marvel? If not, are you ready for the question? All those in favor of the Marvel amendments as explained by him, vote aye. Those opposed vote no. This requires 25 votes. Clerk will record.

CLERK: 26 ayes, no nays, Mr. President.

PRESIDENT: The amendments are adopted. Senator Marvel.
